Catalog Lithographed by MWM Color Press, Inc., Aurora, Mo.

GENERAL INFORMATION

TIME AND PLACE: The sale will be held at 1:00 P.M. at Caledonia Farm three miles west of Charles Town on West Virginia Route 51 or nine miles east of intersection of Interstate 81 and West Virginia Route 51. See map on back cover.

TERMS: Cash, all settlements to be made with the clerk at conclusion of sale.

GUARANTEE: Although this is a dispersion, all cattle will sell under the standard guarantee of the American Shorthorn Association.

HEALTH: Health papers will be supplied for all lots selling. The herd is accredited for Tuberculosis and certified Bangs free. Calfhood vaccination of females for Brucellosis has been practiced but a few head, now young cows, were overlooked until they were past the proper age. These will be identified in the catalog or by the auctioneer on sale day.

ANNOUNCEMENTS: All announcements made from the auction box on sale day will be considered final and will take precedence over the matter printed in the catalogs.

LIABILITY: Although every precaution will be exercised to protect the safety and comfort of those attending, the owner or any sale personnel cannot assume any liability for accidents.

REGISTRATION CERTIFICATES: A certificate of registry will be furnished with each lot sold and an application for registry will be supplied for calves at foot and in dam.

MAIL ORDERS: Those unable to attend but desiring to buy can place their buying orders with the auctioneer or the special representatives listed.

PHONE: No telephone is available at the farm, but the owner can be reached or message left for him at 304-725-2182 from 8:30 A.M. to 9:30 P.M. and at 304-725-2220 after 10:00 P.M. Mr. Thomas L. Magaha, living nearby and at present custodian of the farm and assisting in sale arrangements can be reached at 304-725-2979.

LUNCH: Lunch will be available.

TRUCKING ARRANGEMENTS can be arranged through Mr. Magaha, Mr. Eyler or Mr. McCarty.

TWO SALES: On the day following, the Shenandoah Valley Polled Shorthorn Association will hold their annual sale at Winchester, Virginia, approximately 20 miles distant. Cattle from both sales can be assembled at Caledonia.

THE CALEDONIA DISPERSION

For twenty-three years Caledonia has had as a goal the improvement of Polled Shorthorns and I believe I am entitled to claim a measure of success in that endeavor.

Early realizing the importance of good udders and good backs, along with ample bone and size, herd replacements were selected with these in mind. The dams of herd bulls used must meet these same requirements.

As to herd bulls used in the herd, there are three whose contribution to what success we can claim have been outstanding; the present senior sire and two former herd sires. The pedigrees of all three are included in the catalog with footnotes.

The decision to disperse the herd was a painful one. A combination of circumstances has made the action the better of the alternative which would have been to allow this productive herd to disintegrate through neglect.

I am somewhat embarrassed to offer these honest cattle in unattractive condition, but as we are depending on our neighbors for feeding, etc. the cattle must necessarily be offered in working condition. The adult cattle are being wintered in the fields on hay and pasture gleanings. The younger cattle are being fed once daily but it is necessary to feed in large groups and some of the younger calves will suffer somewhat.

Had we been able to field a show herd this year, I am confident we could have been competitive in the stiffest company. For the buyer who desires to show purchases, we offer to retain an interest so that such cattle will be eligible for group competition.

Lot numbers will be assigned to the cattle as they are carried in our herd book, that is alphabetically and the position in the catalog will have no bearing on our estimate of their comparative merit.

CLAY HILL BLUSTER x - A former great Caledonia herd sire whose improving influence is still apparent in the herd. Many prominent owners attempted to buy him. We finally arranged to share his use with Creekland Farm, Clinton, South Carolina. Most of the cow herd are his descendants. His half sister, Bellevue Violet 13th, was the dam of Timberlee's Consort.

HOME AGAIN SERENADE x - Convinced that we should use a son of Scottsdale Lexington to follow Clay Hill Bluster, we considered ourselves quite fortunate to find one out of a daughter of Louada Gambler. This proved to be the ideal cross introducing a concentration of Calrossie Welcome breeding. The next blend; the blood of Cruggleton Balmoral on a rich background of Edellyn Royal Leader 2nd, was introduced by our present Senior Herd Sire, Timberlee's Consort 25th.

TIMBERLEE'S CONSORT 25TH x - Must be accorded recognition as one of the great sires of today. At seven years of age he is sound and active. Although "In the Rough", his display of muscling especially in the lower round along with his unusually heavy bones are characteristics he consistently passes on to his calves. Although our opportunity to show his get has been limited, he has sired an All American Grand Champion Female (see cover) A Grand Champion Bull, Maryland State Fair and numerous Champions at Maryland, Virginia, and West Virginia County Fairs. We are especially proud of his steer calves, most of which have been sold for club projects. We have, in storage, a small amount of semen which we plan to keep. Two thirds (2/3) interest and possession sell.

BELLEVUE KING ROYALx - A smooth and stylish bull by a polled son of Scotsdale Homeric. Owned jointly with Harry McCann, he is serving as our Junior Herd Bull. We expect him to be a 100% dehorner and should have several calves by sale time out of horned cows.

COWS

Lots 10 thru 50 are cows which have dropped one or more calves. Since many are by Home Again Serenade and carry a good percentage of Ed-ellyn Royal Leader blood, footnotes will be omitted except where some special information is in order. Twenty-nine are bred to calve by sale time or thereabouts and twelve will have Fall calves. Pregnancy exam will be made where indicated.
